

	OneClass	Doccity	Koofers	StuDocu	Quizlet
Detailed Comparison					
	N/A	Doccity vs OneClass	Koofers vs OneClass	StuDocu vs OneClass	Quizlet vs OneClass
Summary					
Overview	OneClass is a platform for students to share notes and study guides with their classmates.	Doccity is a notesharing platform, but users are mainly from Italy, Spain, Latin America, and Brazil.	Koofers is popular way to share class materials at select schools. However, overall activity levels have been declining since 2014, according to Google.	SuDocu is also a platform for sharing study resources.	Quizlet is primarily a flashcard platform.
For Notetakers	Earn cash, gift cards, or site currency.	Can only earn site currency. No cash or gift cards.	No cash or site currency for uploads.	Can earn site currency. Cash earnings are available for a limited timeframe at a limited number of schools.	N/A
For Note Buyers	Unlimited access with subscription.	Subscriptions provide a limited number of documents per month.	Users must hope that students upload notes to Koofers for free, rather than earning cash on another platform.	Users may not be local to your school, and only 12 percent of StuDocu's top 50 universities are in the U.S.	N/A
